Data Coordination Board

Scope (Health and Social Care Act 2012)	NHS Services
Applies to	The information standard applies to: <ul style="list-style-type: none"> cancer centres and all other providers of NHS commissioned systemic anti-cancer therapy services.
Impacts upon	Implementation of this information standard impacts all health IT systems suppliers providing systems to the above providers; suppliers should work with their customers to determine necessary changes. All commissioners of NHS funded systemic anti-cancer therapy services should review impact on business processes and enable consequential changes.
Legal authority	This information standard is published under section 250 of the Health and Social Care Act 2012. Public Health England has approval for the collection and use of patient identifiable data for this purpose under the Health Service (Control of Patient Information) Regulations 2002, as confirmed by the Confidentiality Advisory Group (CAG) of the Health Research Authority (HRA).
Link to further documentation	The Change Request, Specification and Implementation Guide are available on the NHS Digital website: www.digital.nhs.uk/isce/publication/dcb1533 Further guidance is published by Public Health England: http://www.chemodataset.nhs.uk/home
